

Art Unit: 2143

PRINTER QUERY FORM – Please do not send to Applicant

Applicant's response, filed on 03/10/2008, regarding the "substitute application" was in error. The only amendment to the Specification was for the title as indicated in the section "Amendments to the Specification". Please only update the title, and disregard the statement "Please enter the substitute specification being filed herewith."

/J. Bret Dennison/

Examiner, Art Unit 2143
